## QUALITY POLICY STATEMENT

Vulcan Engineering understand our clients demand the highest quality of management, safety, workmanship and materials. The policy of Vulcan Engineering is to ensure the meeting of client requirements remains our number one priority.

The achievement of this objective for high standard quality management, safety and workmanship shall be maintained throughout all stages of manufacture, construction, installation and servicing.

At Vulcan Engineering, commitment to quality is demonstrated by the implementation of both;

⇒ A Quality Management System meeting the requirements of AS/NZS ISO 9002.

⇒ The following measurable objectives;

1. Completion of projects on time.
2. Completion of projects within budget.
3. Minimum levels of rework and repairs.
4. Satisfied clients who return for repeat business.
5. Achieving planned profitability.
6. Achieving planned growth.
7. Continuous Improvement to all aspects of the quality management system.
